Dear Mom, Dad and Guardians,

As a teacher here at Rio Bravo-Greeley, I am just as concerned as you are that your student is successful in the junior high. The first month of school can be a little confusing and stressful for both the student and parents; changing of classes, teachers, books, homework, lockers and locker combinations.

The purpose of this letter is to let the students and parents know what is expected of them to be successful this school year. I hope that by informing you of my class procedures this will remove the confusion and stress felt by both students and parents. I am looking forward to this new school year with great optimism and I think that with all of our (students, parents, and teachers) efforts, we will have a positive experience.

Respectfully,
Mrs. Mercer-Wiens
